

Dear colleagues,

The #ActionWeekScience (June 12-16) is about to start!

Good working conditions at universities and colleges are the basis for good studies, good teaching and good science! Therefore, let's join forces and join struggles!

These are the dates for our meetings:

1. **Tue, May 23, 12:00-13:00** | PLANNING | for already committed | Presentation of the action week (goals, methods, materials)
2. **Mon, June 12, 16:00-17:00** | AUFTAKT | for already engaged & interested people | Kick-off of the action week; short statements from different employee groups Presentation; presentation of info materials. Idea: Public Viewing at the locations
3. **Fri, June 16, 13:00-14:30** | CLOSING | for already committed & new activists | Evaluation of the action week, exchange in small groups, overview: Where and how can I continue?

Action ideas and materials can be found here: <https://mittelbau.net/aktionswoche-12-16-juni/>  
This social media wall is where all digital posts come together: <https://www.dgb.de/-/Tcj>.

To get there, please use the following hashtags:

- Twitter: #ActionWeekScience
- Facebook: #ActionWeekScience and @dgb.gewerkschaftsbund at the same time.

Additionally, please also use the hashtags #TVStud and #NotMyWissZeitVG.

We're looking forward to a inspiring meeting on 5/23, you're welcome if you are already engaged in a network or if your a curious to engage!

Your BdWi, fzs, GEW, N<sup>2</sup>, NGAWiss, Respect Science, TVStud and ver.di
